1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In the amendment filed 01 October 2004, on page 14 in the amendments to the specification section, in line 3, paragraph number "[0013]" has been deleted and paragraph number --[0113]-- has been inserted in place thereof.

The application has been amended as follows: In the amendment filed 01 October 2004, on page 14 in the amendments to the specification section, in line 11, paragraph number "[0014]" has been deleted and paragraph number --[0114]-- has been inserted in place thereof.

These changes to the amendment correct typographical errors in the paragraph-numbers and have been made to insure proper entry of the amended paragraphs. This is a formal matter that does not and is not intended to change the scope of the amendments to the specification presented in the amendment filed 01 October 2004.

Art Unit: 1772

2. New formal drawings are required which incorporate the proposed drawing changes that were approved in section 1 of the office action mailed 29 December 2004.

3. The following is an examiner's statement of reasons for allowance: see section 3 of the detailed portion of the office action mailed 11 July 2005 for an explanation of the allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William P. Watkins III whose telephone number is 571-272-1503. The examiner works an increased flex time schedule, but can normally be reached Monday through Friday, 11:30 A.M. through 8:00 P.M. Eastern Time. The examiner returns all calls within one business day unless an extended absence is noted on his voice mail greeting.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
